Dear Sirs

First of all let me apologise for the delay of the payments which was due to some banking issues.

As per our agreement we've already transferred the money on last Friday but for some technical reasons (which we shown openly) the payments were rejected three times.

Now find enclosed the swift ack for the first of two invoices still unpaid (IFPL10318 and IFPL9549)

Last remaining invoice will be settled by the end of this week as per your request.

Truly sorry for the continuous delay and for the problems we created to your company in this situation.

With my truly best regards
